

Our promise to our customers is to provide the highest quality luxury vinyl, laminate, and engineered hardwood flooring products that meet strict U.S. Guidelines.

- The vast majority of National Floors Direct's hard surface products manufactured in the U.S.
- All of the hard surface products we carry are made by U.S. companies and have been tested in accordance with the California Air Resources Board (CARB) and meet CARB Phase 2 standards.
- Based on results observed by independent Third Party Certifiers, all of the engineered hardwood, luxury vinyl, and laminate flooring products carried by National Floors Direct, are Phase 2 compliant as defined by CARB's ATCM 93120 and, therefore, compliant with the law.
- National Floors Direct's products do not release any harmful VOC's into living environments and are recognized as compliant for the following use standards:
 - CALGreen, CA Code of Regulations Title 24, Part II, 2012
 - USGBC LEED CI, NC, Schools, Healthcare, 2009
 - USGBC LEED Version 4, BD&C, ID&C, 2013
 - Collaborative for High Performance Schools (CHPS), National Core Criteria, 2013
 - ANSI/GBI 01-2010, Green Building Assessment Protocol

National Floors Direct's hard surface products have earned the following third-party health & sustainability certifications:

FloorScore® certifies that National Floors Direct's hardwood, luxury vinyl, and laminate flooring meet strict indoor air quality standards.

California Air Resources Board (CARB) Phase 2 certification ensures our hardwood, laminate, and luxury vinyl flooring products meet strict formaldehyde emissions standards.

North American Laminate Flooring Association (NALFA®) certification ensures all of our laminate flooring meets demanding performance standards.

Environmental Product Declaration (EPD) is a life cycle assessment-based tool to communicate the environmental performance of a product, such as our laminate.

Appalachian Hardwood Manufacturers, Inc. (AHMI) has verified data from the U.S. Forest Service that Appalachian Hardwood Territory timber is harvested sustainably. All of our hardwood flooring products use sustainably harvested timber.
